

THE ASR LEGACY OF 40 YEARS IN EDUCATIONAL FIELD

Alluri Sitarama Raju (ASR) CBSE Public School & Junior College +2

(A Day-Scholar cum Residential, Co-Education)

Araku valley (Andhra Ooty), Visakhapatnam, A.P.-531149

ASR CBSE School has been on a successful journey of 40 years. Today we are immensely proud to bring along a legacy of setting the benchmarks in the state of Andhra Pradesh, ASR district, by producing thousands of students, who have walked into the doors of the IIT's, Medicines, Civil services, Group 1 & 2 services and many more to eventually become successful professionals of their field today. We credit this success to our exclusive and well-researched National Education Policy (NEP-22) that sets a diverse field of platform for students to choose and succeed in the competitive exams like Civil services, JEE, NEET, SAT and many others of their choice
